

Finances - Resources

Average yearly expenses
(2009–2012)
around € 700 000
per year

Finances - Resources

Average yearly resources (2009–2012)
around € 590 000 per year
including 60% of subsidies from institutions

- In order to insure a transparency of monetary flow and a good management of resources, SFE has following levels of control:
 - Auditing of accounts in Laos through an auditing company
 - Consolidation of accounts in France by accounting company Kremer & Associés
 - Auditing of accounts in France by a recognized auditor
 - Annual reports to the donors
